MESSAGE FROM FOUNDER & DIRECTOR

After opening Snehalaya premises again in March 2021, we have been able to not only support PWIDDs at our location, but also conduct various donation drives to support the community as it recovers from the pandemic.

This year, we also successfully shifted our base to a new and permanent location within the Ganatra Industrial Estate Premises Co-op. Society Ltd., in Thane. Since inception, Snehalaya has been operating out of temporary locations. The new location is going to be a permanent base for Snehalaya, allowing Snehalaya to redirect rental funds towards providing better care and facilities to PwIDDs at our centre.

This report presents all our work throughout the financial year, as well as people who have been involved with us.

I am extremely grateful to our sponsors, trustees and volunteers, and partner NGOs that we worked with this year to make our programmes successful.
